EXPERIENCE

[Hobby Lobby Corporate / Museum of the Bible - 3D Artist]

Oklahoma City, Oklahoma - | February 2024 - Present |

- Contributing member of a creative team working to devise and implement an interactive video game for digital display kiosks.
- Created several high quality 3D assets with proper UV's.
- Rigging and animating objects and characters found inside the games through gameplay and sequential cutscenes.

[Red Sky Total Solutions - Contract]

Oklahoma City, Oklahoma - | Summer 2023 |

- Participated in client/studio communications and meetings.
- Designed a 3D model of the Red Sky logo for promotional implementation on the corporate website.
- Created animated graphics for commercial clients.

[Krush Strategic Marketing & Advertising - Internship]

Edmond, Oklahoma - | Fall 2022 |

- Worked with existing KRUSH client, on a 3D rendering of one of their primary products.
- Collaborated with client on 3D asset design process resulting in a final client approved design.
- Provided 3D rendering services for additional KRUSH clients.
- Created the animation of a KRUSH corporate mascot/character.

COLLABORATIVE STUDENT FILMS

"Out To Lunch" | Spring 2023 |

- Beautiful artwork is displayed in a upscale museum, but one of the main attractions decides it's time for some real rest and relaxation.
- Modeling / Surfacing / Concept Art & Idea / Storyboarding / Rendering

"Coo-Coo Cadet" | Fall 2021 |

- A wooden coo-coo dreams of leaving his clock and soaring like a real bird.
- Modeling / Surfacing / Concept Art & Idea / Storyboarding

"Cabin Fever" | Spring 2021 |

- Quarantine? I'm sure it won't last long! A man tries (unsuccessfully) to pass time while isolated in his apartment.
- Modeling / Surfacing / Concept Art & Idea / Composer

EDUCATION

Texas A&M University at College Station | December 2023 |

- Bachelor of Science in Visualization (3D Animation)
- Minor in Art and Architectural History
